

BRIGHTON UNITARIAN CHURCH

Building *Appeal*

*Sustaining
a sacred space
in the heart
of Brighton*

Why are we fund-raising?

We think our church is a special place in many ways and we are committed to looking after it for future generations. The iconic columns and steps at the front of our building need serious repairs. These will cost approximately £160,000. We are planning a lively programme of fundraising events, and are applying to the Heritage Lottery Fund and other grant-giving bodies to help us raise this amount.

A sacred space

Unitarians are an inclusive spiritual community based on values of respect, reason and freedom. Our goal is to help each person discover the beliefs and values that give their life meaning and depth. All are welcome at our Sunday services and the church is open during the week for quiet prayer and reflection.

A unique part of Brighton's heritage

Our elegant, Grade 2 listed building was completed in 1820 on land bought from the Prince Regent. The architect Amon Henry Wilds designed much of Regency Brighton. Our columns and steps are a well-known Brighton landmark.

A community resource

The church is a meeting place for many community groups and charities. We are proud to host groups such as Brighton and Hove Gay Men's Chorus, Marijuana Anonymous and the Carousel Singers, a choir of singers with learning disabilities. The Montessori nursery is a long-term user of the church hall.

A cultural space

The church is a concert venue with a unique atmosphere. Its central location and excellent acoustics make it popular with classical and contemporary musicians and all kinds of performers and artists.

A place for rites of passage

We provide weddings, including same-sex weddings, child-naming ceremonies and funerals. We can arrange ceremonies for people of all faiths and none, drawing on their own beliefs and values.

Support us
