## Living with Spirit

A new course in spiritual development at Brighton Unitarian Church for autumn 2016. This course is about living a spiritually authentic life. How do our spiritual lives influence what we actually do?! How are we changed by our encounters with the sacred? Participants will explore how their day-to-day lives reflect their spiritual values and beliefs. It will look at everyday aspects of our lives such as work, health, home, relationships and community.

The course will be experiential and will encourage participants to develop a regular spiritual practice.

Course leader: Jef Jones. This course is free but places are limited so if you are interested please book as soon as possible.

## FUNDRAISING NEWS

Many thanks and congratulations to our excellent fund-raising team, who since October of 2015 have raised £7526. We owe them a debt of gratitude!

We welcome and look forward to a visit from Hastings Unitarians who will be coming to our service on on Sunday, 14th August.
